## CRS Rice Bowl 2017 Grant Application

**In order to distribute the 25% retained each year from the CRS Rice Bowl collection, a grant process has been put into place. Please forward this information to parish or community groups sponsoring programs that work to feed the hungry.**

Once again in Lent 2017 our diocese will participate in CRS Rice Bowl. This program sponsored by Catholic Relief Services asks Catholics to pray together, fast in solidarity with those who hunger, learn about global hunger and poverty and convert our sacrifices into gifts for those in need. We rejoice that our efforts allow our diocese to assist those who hunger and thirst for nourishment of body and soul in their every day lives. May our spiritual fulfillment consist of our attentive prayer for justice in all parts of our world, on behalf of all people who struggle daily for justice and peace. 25% of the funds collected in Lent 2017 will again be available for distribution to organizations within our diocesan borders that work to feed the hungry and to reduce the root causes of hunger.

## 2017 RICE BOWL GRANT APPLICATION -Guidelines

CRS Rice Bowl is sponsored by the Diocese of Springfield in Illinois and Catholic Relief Services. This Lenten program is conducted in Catholic parishes throughout the entire diocese. 75% of the funds raised are used for international relief and development projects and 25% are distributed within the diocese for food programs and root-cause-of poverty relief efforts.

1. A majority of local Rice Bowl funds (25% of the diocesan collection) will be allocated to food programs.
2. A smaller amount of local Rice Bowl funds will be allotted to programs, projects or organizations that respond to the root causes of hunger, “one step removed” from direct feeding, i.e. projects dealing with economic development, anti-hunger advocacy and organizing, etc.
3. Programs, projects, or organizations to be considered for Rice Bowl funds will be those supported primarily by community – churches, volunteers, and donations.
4. Grants are made on an annual basis and do not imply subsequent years of funding.
5. Those programs, projects, or organizations that receive Rice Bowl funds will be asked to submit a simple written report prior to funding the following year, which explains the use of the grant and the number of persons served.
6. No proposal from an organization located outside of the geographic boundaries of the Diocese of Springfield in Illinois will be considered.
7. No proposal that excludes on the basis of race, color, gender, religion, national origin, or sexual orientation can be considered.
8. Only in certain circumstances may Rice Bowl funds be used directly for salary expenses – such a proposal must be discussed with the Director of the Office for the Missions.
9. The Catholic Relief Services’ Rice Bowl Committee will recognize the ordinary standards with respect to potential conflict of interest in considering allocations to programs/projects related to any committee member.
10. For applications made by a Catholic parish or parish program, the signature of a pastor, pastoral facilitator, or parochial administrator is required on the application indicating his/her knowledge and approval of the grant application.
11. In order to increase participation in the CRS Rice Bowl program, all grantees are requested to advertise CRS Rice Bowl and the Diocese of Springfield in Illinois as a co-funder of the project.
