**2011 BACKGROUND, CRITERIA, GUIDELINES AND  
INSTRUCTIONS FOR COMPLETING CCHD LOCAL GRANT APPLICATION**

***PLEASE READ CAREFULLY***

*The 2010-2011 Diocesan Application Form must be used when submitting a request for local CCHD funds.*

In 1970 the United States Catholic Bishops established the Catholic Campaign for Human Development with twin goals: to raise money to support self-help projects that address the causes of poverty; and to educate the Catholic community and the general public about poverty, its causes, effects, and the rationale for the Church's involvement in working for justice.

CCHD funded programs enable people of all races, creeds, geographic regions and backgrounds to work together for long-range solutions to poverty in the area of social and economic development, housing, health, legal aid, education and communications. (See Criteria and Guidelines)

With the approval of the Bishop of the Diocese of Springfield in Illinois, the CCHD Advisory Board of the Diocese of Springfield in Illinois allocates grants for each funding cycle. Projects operating in the Diocese of Springfield in Illinois are funded to achieve the goals of the Catholic Campaign for Human Development and the Diocese of Springfield in Illinois.

Organizations interested in receiving a grant are required to file a local grant application with the Office for Social Concerns. Applications must be **postmarked no later than March 15, 2011**. Decisions on funding will be made in May/June. Local grant amounts are from \$500 to \$2,500. Grants are awarded on a one-year basis and may be awarded for the same project for three consecutive years; however, **organizations must complete an application each year they wish to apply**.

## CRITERIA AND GUIDELINES

**To be eligible for CCHD grants, a project must follow criteria and guidelines. However, due to limited financial resources, eligibility does not guarantee funding. Projects/ organizations that most closely fit the criteria and guidelines will have preference in the evaluation process, but all applications will be accepted for review.**

### A. CRITERIA

1. Project must benefit poor and/or low-income people. At least fifty percent (50%) of those benefiting from the project must be from the low-income community.
2. **Members of the poverty/low income group must have the dominant voice** in the project before funding begins. At least 50% of the project board should be persons who are involuntarily poor. *(Clergy, members of religious orders, VISTA volunteers, students, etc., are not considered by CCHD to be involuntarily poor, therefore do not meet the criteria.)*

**FOR PROJECTS THAT DO NOT PRESENTLY MEET THE CRITERIA**, applicants must document the following in the proposal narrative. Failure to do so will negatively impact the evaluation of the proposal.

- a. Why members of the poverty/low income group do not have the dominant role in planning, implementing, and policy making at the time of the application.
  - b. How members of the poverty/low income group were involved in determining their needs for the project.
  - c. How will the efforts of your group help create a more just society?
3. Projects must be able to establish future funding from other public and/or private sources and strive for self-sufficiency.
  4. Projects must meet unfulfilled needs for which no other response is presently being made.
  5. The organization applying must qualify as a tax exempt entity as evidenced by providing IRS 501 (c) 3 certification, or operate under a fiscal agent that has a 501 (c) 3 number, and/or while the organization has a 501 (c) 3 application in process.
  6. **No CCHD funds will be granted to organizations that would utilize CCHD money to fund other organizations.**
  7. Organizations that receive CCHD funds must not participate in or promote activities that contradict the moral and social teachings of the Catholic Church. Organizations that support or promote for example, capital punishment, abortion, euthanasia, racism, war, discrimination or same-sex marriage are not eligible for CCHD funding.

**B. GUIDELINES**

1. Projects funded by CCHD are: 1) innovative and address the root causes of poverty, and 2) effect institutional change. CCHD defines institutional change as:
  - a. Modification of existing laws and/or policies.
  - b. Establishment of alternative structures and/or redistribution of decision-making powers.
2. Projects that directly benefit a relatively large number of people rather than a few individuals.
3. Projects which generate cooperation among and within diverse groups in the interest of a more integrated and mutually understanding society.
4. The Catholic Campaign for Human Development is interested in establishing justice. Will the efforts of your group help create a more just society?
