Region 3  
Final Proposal**

**Note:**

The priest statistics and proposed assignments used for the 2010 Parish Pastoral Plan included only diocesan priests and not religious priests. As long as religious orders are able to continue to supply pastoral assistance to our parishes, we are extremely grateful and welcome the religious priests who serve in the parishes of our Diocese.

\*New deacon assignments for parishes according to the 2010 Parish Pastoral Plan are based on deacon availability.

*Pastoral Unit – when two or more parishes are served by one pastor. The parishes remain essentially separate but may collaborate with some programs and ministries.*
