

Science Teacher

Duties

St. Teresa High School is seeking a student-centered individual to teach in a technology-rich environment. This position primarily teaches Physical Science/Forensics/Environmental Biology in a new, state of the art science lab modeled on a 21st-century learning environment. We are looking for a teacher who is passionate about creating a learning environment where students can achieve their true potential. This position is for the 2021-2022 school year.

Qualifications

PEL with science endorsement

Salary/Benefits

Regionally competitive based on experience. Health/Life/Retirement benefits included.

How to Apply

Send cover letter, resume, copy of PEL license, transcripts and three(3) letters of recommendation to Larry Daly, Principal, St. Teresa High School -2710 North Water Street, Decatur, IL 62526, or email materials to dalylb@stteresa.org.
