St. Francis/Holy Ghost Catholic School Science Teacher Job Description

Job Summary

We are currently recruiting for a science teacher with a passion for science and a gift for inspiring young minds in a Christ-centered school for the second semester of the 2020-2021 school year.

Job Responsibilities

- Create daily lesson plans and learning activities for students based on NGSS and knowledge of developmental behaviors.
- Deliver high-quality, engaging instruction in the form of discussion, direct teaching, demonstrations and independent practice using a variety of proven methods.
- Differentiate lessons when needed to give all students access to the curriculum regardless of disability, instructional level, English proficiency or level of interest in the subject.
- Evaluate student performance on tasks established by the standards using different methods such as observation, performance-based tasks or other standard test practices.
- Maintain a safe, orderly and supportive classroom by modeling expected behavior and standards, promoting positive interactions and quickly addressing unwanted behaviors.
- Communicate with parents regarding student progress, potential and behavior periodically.
- Improve skills and knowledge in teaching by regularly taking classes, attending workshops and discovering new methods of delivering exciting content to students.
- Performs assigned duties which conform to the school's philosophy, objectives and policies.
- Exhibits loyalty in all working relationships with parents, the pastor, and other contacts.
- Respects the confidentiality of information regarding students, faculty and school.

Job Skills & Qualifications

- Bachelor's degree in science education or another related field
- Current Illinois certification in science education

To apply for this position, please send a letter of interest, resume and credentials/licensure to Dr. Dennis Cramsey, Principal, at dennis.cramsey@sfhg.org or to:
