Symmetry and Your School

The Symmetry Hand Hygiene Program offers a complete line of hand hygiene products, dispensers, awareness, education and behavior modification tools, and training. Symmetry’s line of innovative hand washes, hand sanitizers, lotions, body washes, and dispensers are ideal for any market including schools. Practicing proper hand hygiene is the single, most important procedure to stop the spread of germs. Hand hygiene keeps you from transferring germs to other areas of your body, other people, and the environment.

The Centers for Disease Control and Prevention (CDC) and World Health Organization (WHO) state that hand hygiene is one of the most important steps in reducing illness and stopping the spread of germs to others.
