

**YEAR ROUND CATECHUMENATE
YEAR TWO: THE METHODOLOGY**

What is the method we use to prepare the catechumens to live a life of discipleship? The Church has an agenda and the agenda is Sunday and making use of the Lectionary, the Missal and all the many ways Catholics pray week by week, season to season, year after year.

Father Lanza will provide sound liturgical, scriptural and doctrinal resources to use throughout the RCIA process. He will show you a highly successful methodology that is easy to follow and assists leaders and participants as they grow, learn, and put their faith into practice as true apprentices in faith.

This workshop is made possible in part by a Forum Legacy Grant, which honors the work of the North American Forum on the Catechumenate
